Youth Success! Mentoring (YSM) mentors are consistent, positive role models who provide support, guidance, and friendship to students in the Riverview and Snoqualmie Valley school districts. Mentors meet with the same student up to one hour, once a week during school hours.

The YSM program grew from 10 mentors in 2017/2018, to almost 40 in 2018/2019. We are adding several schools for the 2019/2020 school year and need more mentors to join our program.

The program inspires and prepares participants for real-world challenges they must face to improve their organizations and their communities."
