Empower Youth Network presented with WASA Community Leadership Award 2021

The Empower Youth Network was recently recognized by the Washington Association of School Administrators (WASA) for being a critical partner in positively impacting Riverview School District youth.

EYN was applauded for tireless leadership from Director, Staff, and Board, as well as our focus on promoting safe, healthy and successful lives through a variety of programming. These include Youth Success! Mentoring, Pathways to Employment Success, Youth Suicide Prevention, Youth Substance Use Prevention, and Student Leadership.

WASA also commended EYN for being recognized by King County for program excellence; and for receiving grants from local Rotary Clubs, Boeing, BECU, Evergreen Health, and Premera, among others.
April 30th, we celebrated Dia del Niño
World Children’s Day

“Dia del Niño”, Children's Day is celebrated in many Latin countries on April 30th. EYN helped celebrate with our Latin communities and families by sending out bilingual books in both the schools in the Riverview School District, the Snoqualmie Valley School District. More than 120 books were distributed. We also provided a EYN flyer and list of resources. You can access those resources here:

Rainbow Weaver, Tejedora Del Arcoiris by Linda Elovitz Marshall was one of the books read to students in celebration of Dia del Nino.
