

A MONTHLY NEWSLETTER OF
THE EMPOWER YOUTH NETWORK

JULY 2021

Did you know SCFA first got started in 2017?

With support from King County Communities of Opportunity, SCFA was launched in 2017 with a mission to build an inclusive coalition of community partners to strengthen community connections and coordinate human services across the Snoqualmie Valley. This includes folks in North Bend, Snoqualmie, Fall City, Preston, Carnation, and Duvall, and the surrounding unincorporated areas.

To learn more about SCFA, our history, and where we're headed, check out our latest blog post.

“Community is much more than belonging to something; it’s about doing something together that makes belonging matter”

– Brian Solis

Key Leaders Summit

August 9th, 9:00 am - 12:00 pm
Snoqualmie Valley Alliance Church

Join us for an important conversation about working together as we are coming out of the pandemic. KLS will feature a diverse youth panel who will speak to their hopes and dreams for the future, the long-term positive and negative impacts of COVID-19, and how we can best support them as we head into fall.

Pathways to Employment Success!

The Pathways to Employment Success (PtES) program creates opportunities for youth to participate in engaging activities and conversations that provide employment exploration and preparation.

For us to continue to deliver a quality program, we need to hear from you! Please take a few moments to share your feedback.

Nourishing Neighbors donates \$31,160 to provide meals to children during summer months

Empower Youth Network is pleased to be the recipient of a generous grant from Nourishing Neighbors that will help provide much needed assistance to the children in our community impacted by food insecurity.

Many hunger relief organizations continue to be overloaded by increased hunger issues caused by the pandemic. Children can be especially susceptible to hunger during the summer months when school is out. Through the Nourishing Neighbors initiative, the Safeway/Albertsons' Foundation continues to focus on addressing hunger issues in the communities they serve. The Summer Meals program is part of their latest efforts. "We're grateful to Safeway/Albertsons and their generous customers for helping fight hunger in our community," said Fund Development Manager Carol Van Noy. "These funds will help the children of our community with the most basic human need of being nourished."

Thanks to   Foundation. We are grateful to be part of the Nourishing Neighbors Family and working together to make a difference!

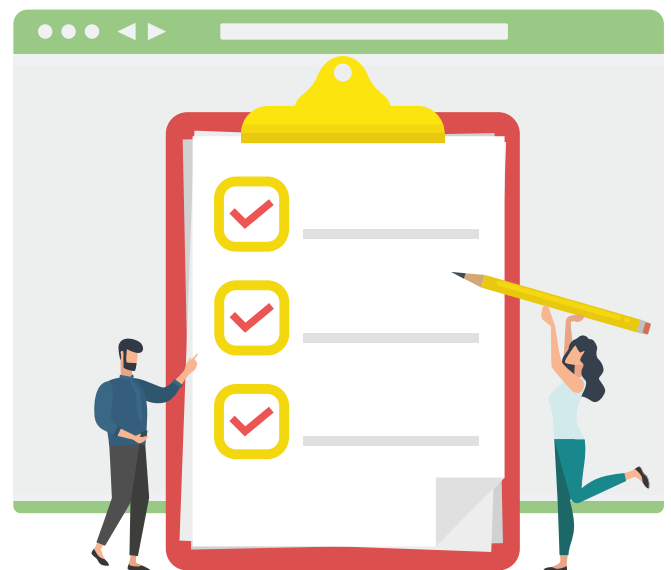

Parent Education Opportunities!

We are conducting a survey to learn what parents/guardians would like to see in parent education opportunities. Please help us by completing the survey.

This will help inform EYN and partners who provide parent education opportunities.

Thank you!
