November is Kindness Month in the Snoqualmie Valley!

November 13 is World Kindness Day, and our Valley has come together to proclaim November as Kindness Month! The Empower Youth Network's #BeKindSV campaign is an effort within our Youth Suicide Prevention Program. We are asking the community to participate and engage with us during the month of November through our #BeKindSV Facebook page, by taking pictures with our banners that are hung in each city, and by signing our kindness pledge for community members and businesses.

For more information please contact Sara Young at sara@empoweryouthnetwork.org

GivingTuesday 2021

Empower Youth Network will be participating in Giving Tuesday on November 30th.

GivingTuesday is an opportunity for people around the world to come together to thank, help, give, show kindness, and share what they have with those in need.

People can show their generosity in a variety of ways during GivingTuesday—whether it’s helping a neighbor, advocating for an issue, sharing a skill, or giving to causes—everyone has something to give and every act of generosity counts.

Pathways to Employment Success

Youth Employment Exploration: The Business and Industry Connection

A variety of available jobs are going unfilled and there is a growing misalignment between supply and demand in many areas. Youth career engagement and workforce development programs provide youth with direction, necessary knowledge, skills, and experience to gain access to career building jobs.

The need for these programs has never been more urgent.

The Empower Youth Network’s Pathways to Employment Success program provides youth a variety of career exploration opportunities to gain firsthand experience and knowledge to help make informed decisions when preparing and planning their future employment pathway.

What career exploration opportunity can you or your organization provide to support youth on their pathways to employment success? Here are a few ideas:

- **Share your expertise at a Job Skills Institute workshop**
- **Plan a worksite tour for students**
- **Schedule an industry talk**
- **Be a career guest speaker/**
- **Create relevant volunteer experiences**
- **Offer job shadowing opportunities**
- **Implement an internship program**
- **Establish apprenticeships**
- **Provide teens appropriate part-time jobs**
- **Become, and encourage your team to be, a career coach/mentor**
