Youth Matter! You Matter!

EYN Board President, Kim Johnson, announces our annual year-end giving campaign - Youth Matter! You Matter! We are excited to have you join in. Please click the picture below to view the video.

Your one-time or monthly donation provides the foundation for Empower Youth Network's Youth Development programs including Youth Success Mentoring, Youth Suicide Prevention, Weekend Power Packs, and More! Because of you, EYN is able to provide youth and families with the support they need.

Here is a snapshot of our giving progress. We cannot reach our goal without your help.

Looking for a good New Year Resolution? Change your life and the life of a local valley youth by becoming a mentor in our Youth Success! Mentoring program. We have kids on the waitlist right now, ready for a mentor. Spend 1 hour a week making a social and emotional connection with a youth by simply showing up to play games, draw, talk, or whatever else it is that your mentee would like to do.

Join the challenge to resolve to be a Mentor in 2022!

Thank you Snoqualmie Tribe!

On November 16th, we were honored to present Vice Chairman Steve De Los Angeles of the Snoqualmie Tribe with a thank you plaque for their commitment and partnership with Empower Youth Network.

As part of kindness month in November, we challenged the community to *Be the I in Kind!*

We want to shout out to these 5 members of the Empower Youth Network team who went out and took pictures with the banners to show their commitment to being the I in kind.
