We are recruiting for 2022-23 school year, email BeAMentor@empoweryouthnetwork.org with questions.

"The question we must answer is this: How do we turn toward each other? Instead of thinking about what we can do to each other, we must think about what we can do for each other. How do we build bridges that lead to understanding, acceptance, and embracing our common humanity? ..."

For the more than 9 million children in this country growing up without a supportive adult relationship outside of their immediate family, it’s up to each of us to turn toward them and build a bridge."

988 has been designated as the new three-digit dialing code that will route callers to the National Suicide Prevention Lifeline (now known as the 988 Suicide & Crisis Lifeline), and is now active across the United States.

When people call, text, or chat 988, they will be connected to trained counselors that are part of the existing Lifeline network. These trained counselors will listen, understand how their problems are affecting them, provide support, and connect them to resources if necessary. The previous Lifeline phone number (1-800-273-8255) will always remain available to people in emotional distress or suicidal crisis.
Empower Youth Network and the Pathways to Employment Success program is seeking your help to partner with us to provide Valley teens career exploration opportunities through our brand-new Path Finder!

The Path Finder is a secure online portal where teens can access and connect with skill-building experiences to help them make informed decisions when preparing and planning their employment pathway!

Please take a look and consider adding an opportunity or becoming a career mentor for a teen to gain knowledge and experience as they begin building their working “toolbox.”
